REPORT

OF THE

ALBERTA LIQUOR CONTROL BOARD

INTRODUCTION

The Tenth Annual Report of the Board which is submitted herein covers the period from the 1st April, 1933, to the 31st March, 1934.

Financial Statements are shown in detail and the usual appendices are added, outlining the various details.

BEERS

A constant check has been maintained on all the beers sold in the Province, and analytical reports by the Provincial Analyst have been submitted to the Board from time to time. Imported malt liquors from England, Manitoba and Ontario, are available in the Vendors' Stores.

LICENSES

No new brewery licenses have been issued during the year. A list of the licenses issued will be found in Appendix "C".

The following licenses expiring on the 31st December, 1933, were issued during the calendar year:

Hotel Beer Licenses—371; Club Licenses—51; Canteen Licenses—15.

HOTELS

The Officers of the Alberta Hotel Association have been unflagging in their energies to ensure a high standard of service to the general public in all licensed hotels.

During the twelve months of the license year there were no cancellations or suspensions of hotel beer licenses.

Many hotelmen continue to experience difficulty in financing their operations.

FRENCH WINES—BRITISH EMPIRE WINES

The rapid rise in the value of the French exchange, coupled with the cancellation of the Franco-Canadian Treaty, has led to an increase of over eighty per cent in the cost of French Wines and Brandies. Fortunately, anticipating the cancellation of the treaty, the Board bought freely of these products,

but these stocks are now practically exhausted and replacements will necessitate a much higher charge to the consuming public.

Wines and Brandies from South Africa and Australia are now stocked by the Board. These products are of good quality and the demand for them continues to increase.

LAW ENFORCEMENT

The Board has received every assistance and co-operation from the Royal Canadian Mounted Police and all Municipal Police throughout the Province, and takes this opportunity of expressing its appreciation of the support tendered by the Officers of these organizations.

GENERAL REMARKS

The sale of permits during the calendar year ending 31st December, 1933, realized \$88,429.50. This sum is not included in the financial statements of the Board, as all permit moneys are paid direct to the Provincial Treasurer, as called for in The Government Liquor Control Act of Alberta.

During the year 89 permits were cancelled on the recommendation of Magistrates and Police Officers. Interdictions imposed numbered 392, and Revocations totalled 359.

Three Local Option plebiscites were held. The cost, which was met by the Board, amounted to \$135.22.

A total of 16,712 packages of liquor were shipped during the year to permit holders, by express, at a cost of \$6,860.68.

Cash and Trade Discounts on purchases amounted to \$7,733.30 for the year.

The Federal Government for the year received from the Customs and Excise duties on liquor, and from the taxes on beer approximately \$1,300,000.00.

Alberta Brewers sold 2,495,000 Imperial Gallons of malt liquor in the Province, and exported 15,000 gallons. On the basis of sales in Imperial Gallons in Alberta, the usual comparative table is presented as follows:

	Sales in Gallons	Percentage
Beer, Ale and Stout	2,535,000	93.02
Wines	101,500	3.72
Spirits	87,500	3.21
Alcohol (including sales to Hospitals, Druggists, Manufacturers, etc.)	1,400	.05
		<u>100%</u>

Again the Board wishes to voice its appreciation of the loyal and conscientious work of the staff.

All of which is respectfully submitted,

R. J. DINNING,

Chairman.

Edmonton, Alberta, May 28, 1934.

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1934, and the above Balance Sheet and accompanying Profit and Loss Account are in accordance therewith.

Stocks of liquor and beer in warehouses and stores at March 31, 1934, were valued at actual cost price. Inventories included goods on consignment amounting to \$71,050.48, the corresponding liability being included with accounts payable on the Balance Sheet.

I have received all the information and explanations which I require, and certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the financial position of the Alberta Liquor Control Board as at March 31, 1934, and the accompanying Profit and Loss Account correctly sets forth the result of operations for the year ended at that date.

Certified correct,

JAMES C. THOMPSON, C.A.,
Provincial Auditor.
